Who is Blended Families?

We are the first and only family resource center dedicated to bridging the legal and mental health gap within our community.

Walk-ins welcome!

Our Background

Blended Families Inc. was created to ensure that all families from various backgrounds could locate services in one place. We are dedicated to guiding them through their litigation process successfully. We assist families by providing the resources to move past the hurt and pain once endured. Our organization strives to educate our clients on how to rebuild their foundation, brick by brick.

Our Values

Blended Families Inc. is dedicated to formulating each families "Step by Step". Our plan is to restore the love within our families and communities.

Why you should choose us...

We want our services to be available to all families. Our program is committed to ensuring that everyone receives assistance one way or another. Blended Families Inc., proudly accepts Medi-Cal insurance as a form of payment for our services. We also accept out of pocket payments on a sliding scale.

We also provide free Family Law Court litigation packets for walk in clients, as well as on the spot enrollment/registration for our services to be rendered. It is our intention to restore our community one step at a time here at Blended Families Inc.
